The South Carolina Coastal Conservation League, Southern Alliance for Clean Energy, and Upstate Forever (collectively, “Movants”), through counsel, respectfully move the South Carolina Public Service Commission (“Commission”) for a brief extension of time to file proposed orders and post-hearing briefs in the above-referenced proceeding. In support of this Motion, Movants state as follows:

1. On March 31, 2021, Counsel for Movants requested an extension of the deadline for proposed orders and post-hearing briefs from April 5 to April 12; that request indicated that, if a scoped version of the transcript was not available by April 2, that Movants would reserve the right to request an additional extension.
2. On April 2, the Hearing Officer issued a Directive Order granting that motion and indicating that any further extension must be requested in a separate motion.
3. As of the filing of this motion, Movants have received scoped transcript volumes covering five days of the hearing, with the sixth volume expected to be provided by the end of day April 9.

4. As stated in the prior motion, Counsel for Movants believe that the Commission will benefit from proposed orders and post-hearing briefs that reflect a full and complete record of the proceeding, and that a brief two-day extension is necessary for Counsel to review and incorporate the later volumes of the transcript.

Accordingly, Movants respectfully request an extension of time to file proposed orders and post-hearing briefs in the above-referenced proceeding. Movants request that the deadline be extended from April 12, 2021, to April 14, 2021.

We have inquired with counsel for other parties as to whether they would oppose this requested extension for proposed orders and post-hearing briefs. The Office of Regulatory Staff, Dominion Energy South Carolina, Vote Solar, and Frank Knapp, Jr. indicated that they do not object to this request. Alder Energy Systems, LLC, North Carolina Sustainable Energy Association, and Solar Energy Industries Association indicated their support of this request.

Respectfully submitted this 9<sup>th</sup> day of April, 2021.
